- 3.1.7 Unless otherwise provided in the License Agreement, upon release of the Deposit Materials, the BENEFICIARY shall have the right to use the Deposit Materials for the sole purpose of continuing the benefits afforded to the BENEFICIARY by the License Agreement. The BENEFICIARY shall be obligated to maintain the confidentiality of the released Deposit Materials and even though the Deposit Materials have been released or otherwise, this Agreement will not constitute a termination, renewal, or otherwise of the License Agreement.
- 3.1.8 On the alleged happening of one or more Events of Default involving bankruptcy, the BENEFICIARY shall give electronic or written Notice of Default as provided by this Agreement to both the ESCROW AGENT and the Trustee in Bankruptcy for the TECHNOLOGY VENDOR of that Default. The Notice of Default shall be labeled a "Notice of Default," shall identify the Trustee in Bankruptcy, the License Agreement and this Escrow Agreement, shall specify the nature of Default, and shall identify the Deposit Materials with reasonable specificity.

4.1 If the TECHNOLOGY VENDOR provides to the ESCROW AGENT and the BENEFICIARY within the time permitted by §3.1.5 an affidavit or other sworn statement in response to the Notice of Default disputing the existence of any Default, the ESCROW AGENT will not release the Deposit Materials until it receives joint instructions from the identified TECHNOLOGY VENDOR and the BENEFICIARY, or a copy of a final non-appealable U.S. court order, or binding arbitration award requiring or authorizing such release, unless such judicial order or binding arbitration award is under seal, in which case, the TECHNOLOGY VENDOR and BENEFICIARY will provide a joint statement to that effect to the ESCROW AGENT and provide authorization to provide a release to the appropriate Party.

4.2 All Parties agree that the ESCROW AGENT is directed to act in good faith reliance of any representation made in accordance with this Agreement and is completely protected from any adverse results or consequences of such actions even if a court should later determine their rights differently.
